IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.18735 of 2008
SHIV RATAN PASWAN & ANR
Versus
STATE OF BIHAR
---

02 15.05.2008 Heard.

Petitioners Shiv Ratan Paswan and Gariban Paswan are accused in a case instituted under section 341, 323, 448, 326, 307, 504/34 of the Indian Penal Code and later on section 302 of the Indian Penal Code was also added.

It appears that the prayer of bail of the petitioners was rejected about six months back on the ground that the deceased, who is informant of this case, had made dying declaration that these petitioners had sprinkled Kerosone Oil upon her and thereafter they had set her on fire.

In such view of the matter the prayer of bail of the petitioners is again rejected. Petitioners may renew their prayer after one year of rejection of bail on earlier occasion.
